

Reception Round-Up 31st March 2017

What a busy term! We have had a visit from Symphonia Acdemica, watched a theatre production called 'A twist in time', the Wyton marathon *and* been on our first school trip to Peterborough museum to name but a few! All the children were impeccably behaved, engaged and showed great enthusiasm on the school trip, they did us proud! There are a few pictures from the day on the school website. Also a special thank you to Mrs Marshall who organised a vet to come and teach us about animal health with the help of her two special helpers; her dogs! Thank you!

Reminders and pleas!

Please continue to keep hearing your children read at home, we have noticed there hasn't been as many comments in the reading diaries, we are sure you are read-

Phonics Focus

Reception have been working hard to learn their vowel digraphs over the past few weeks. Ask the children to show you the actions to

company the grapheme!

The graphemes are;

Maths Time

We have been learning the mathematical symbols + and =. We even have arm movement to show them! The children have been adding two together and successfully groups to finding the

Wow Moments

Please tell us about something your child has done to make you feel proud this week so that we can put it into their Learning Journey. Feel free to bring in drawings / photos too!

What are we reading?

The past few weeks we have been focused on the text 'The Gruffalo'. We have made our class Gruffalo and looked at the describing words. We even made our own version!

What might the Gruffalo look like if you saw one?!

Question of the week!

We are keen to get some feedback from parents on what is or isn't working well so we can improve. In each roundup I will ask a question. Responses on
