Dear Parents,

Swimming Lessons

As part of the national curriculum, schools are required to provide some swimming tuition for children of primary age and we've therefore arranged to hire the pool at the Ivo Indoor Centre for this purpose.

The total cost of hiring a coach for each day would be over £2000 which, along with the cost of the pool, would make it almost impossible for the school to fund. We've therefore arranged to hire a minibus which will reduce the cost considerably.

The sessions are taking place every Tuesday and Wednesday over a four week period throughout June. We've been allocated the pool from 8:45 – 9:45am and the first session will be on the first Tuesday back after half-term, Tuesday 6th June. Because the sessions are early, we will need the children to be in school at 8:25am.

Because the cost of running these sessions is still very high and with the school having to operate on a very tight budget, we'd like to request a contribution from parents to help subsidise the transport so we don't have to cut expenditure from other vital areas of the school. We're requesting a contribution of £20 per child which equates to approximately £2 per session and will partly reduce the cost to the school. This payment can be made online using Agora if you wish and please ask for further details if you're not sure how to do this.

If you could please complete and return the slip below as soon as possible with the voluntary contribution, we'd be grateful.

Yours sincerely,

Mrs. J. McClure

I enclose a £20 contribution to reduce the cost of the swimming to the school.

I have paid the £20 contribution online through the Agora payment system.
