Keep your personal information safe!

If you wouldn't say it to a stranger on the street, don't share it with strangers on the internet...

Follow the SMART rules

Don't meet up!

Online games can be a great place for chatting to your friends. Always know who you are talking to. If an adult who you don't know ever asks you to meet up, say no and report

Follow the **SMART** rules

Accepting

Think before you accept something from someone online e.g. a file, a download, a picture etc. It may contain a virus. If you don't know who it's from, and it has an attachment... DELETE IT!

Follow the **SMART** rules

Reliable

Not everyone online is trustworthy. Somebody may be lying about their age and who they are.

Make sure you know who you are talking to and use reputable sites and services to protect you and your computer.

Follow the **SMART** rules

Tell

Tell a parent, carer or trusted adult if someone, or something makes you feel worried or uncomfortable online. Also, tell someone if a friend of yours needs help online too.

Follow the **SMART** rules

The 'report abuse' button on a website allows children to report any suspicious individuals or threatening behavior directly to the police, quickly and easily. Avoid using any websites that DO NOT have this button.
