Dear

I am looking forward to the time when you join us at school.

Until then, I have made a book for you to finish.

The book tells you about school and will help you to tell us more about yourself.

I hope you enjoy filling in your book.

When you have finished it, you can bring it to school to show me.

I am looking forward to seeing it.

Miss Austin

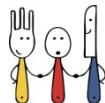

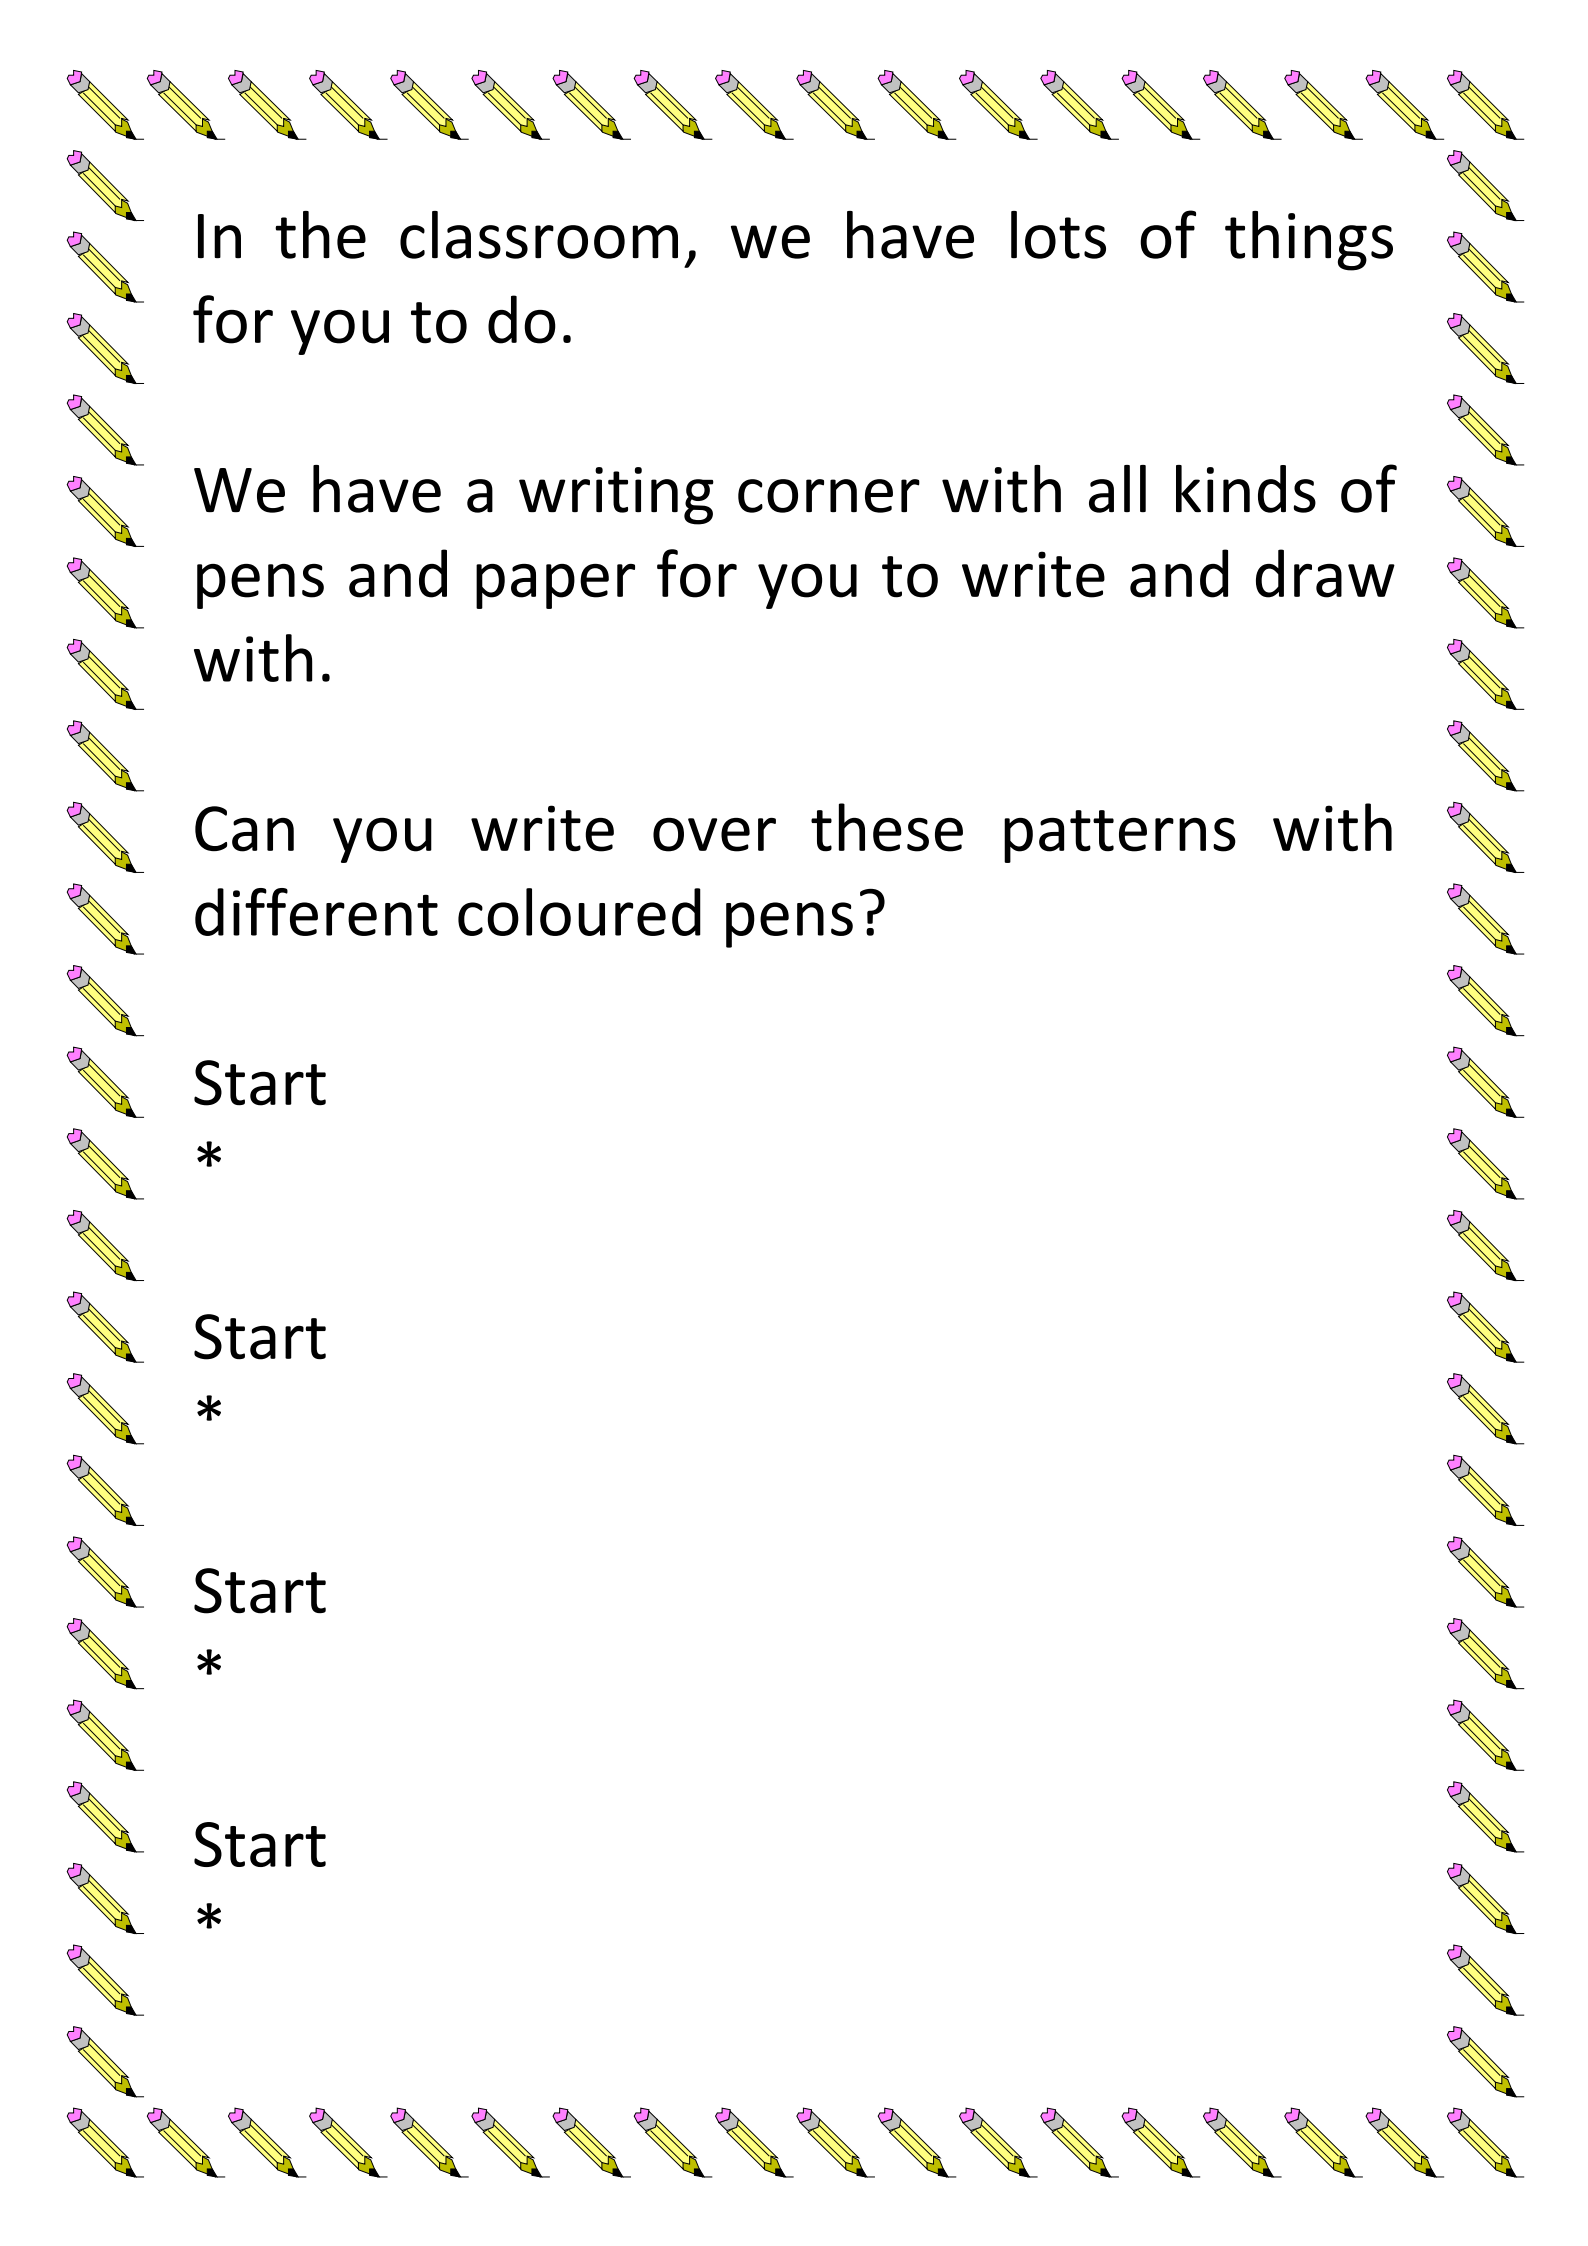

Draw a picture of yourself on this page.

We have toilets for you to use.
You can wash your hands in your own special washbasins.

We have a number corner where you can sort, measure and count things like beads, blocks and shapes.

Draw some more beads on the string to match the pattern. Then colour them in.

There are many other things for you to play with.

There is sand and water.

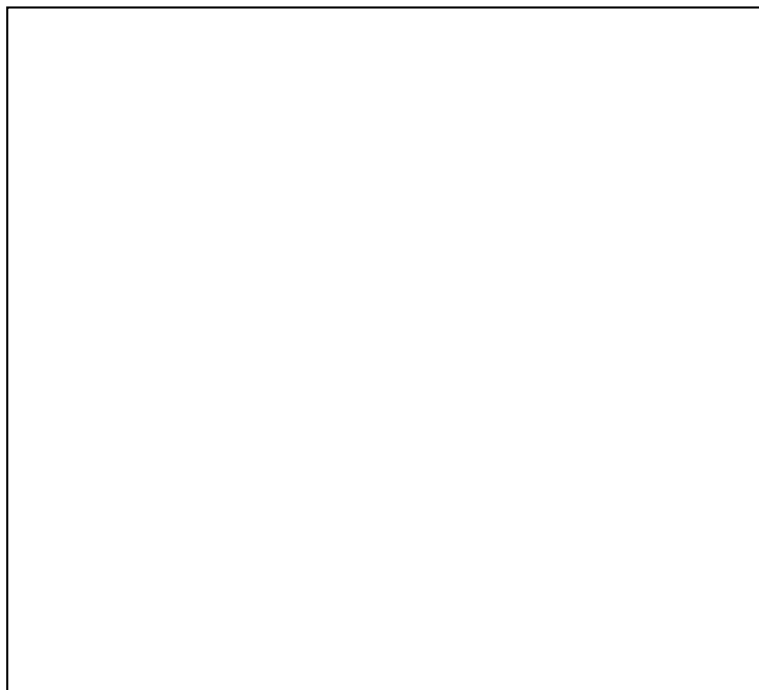

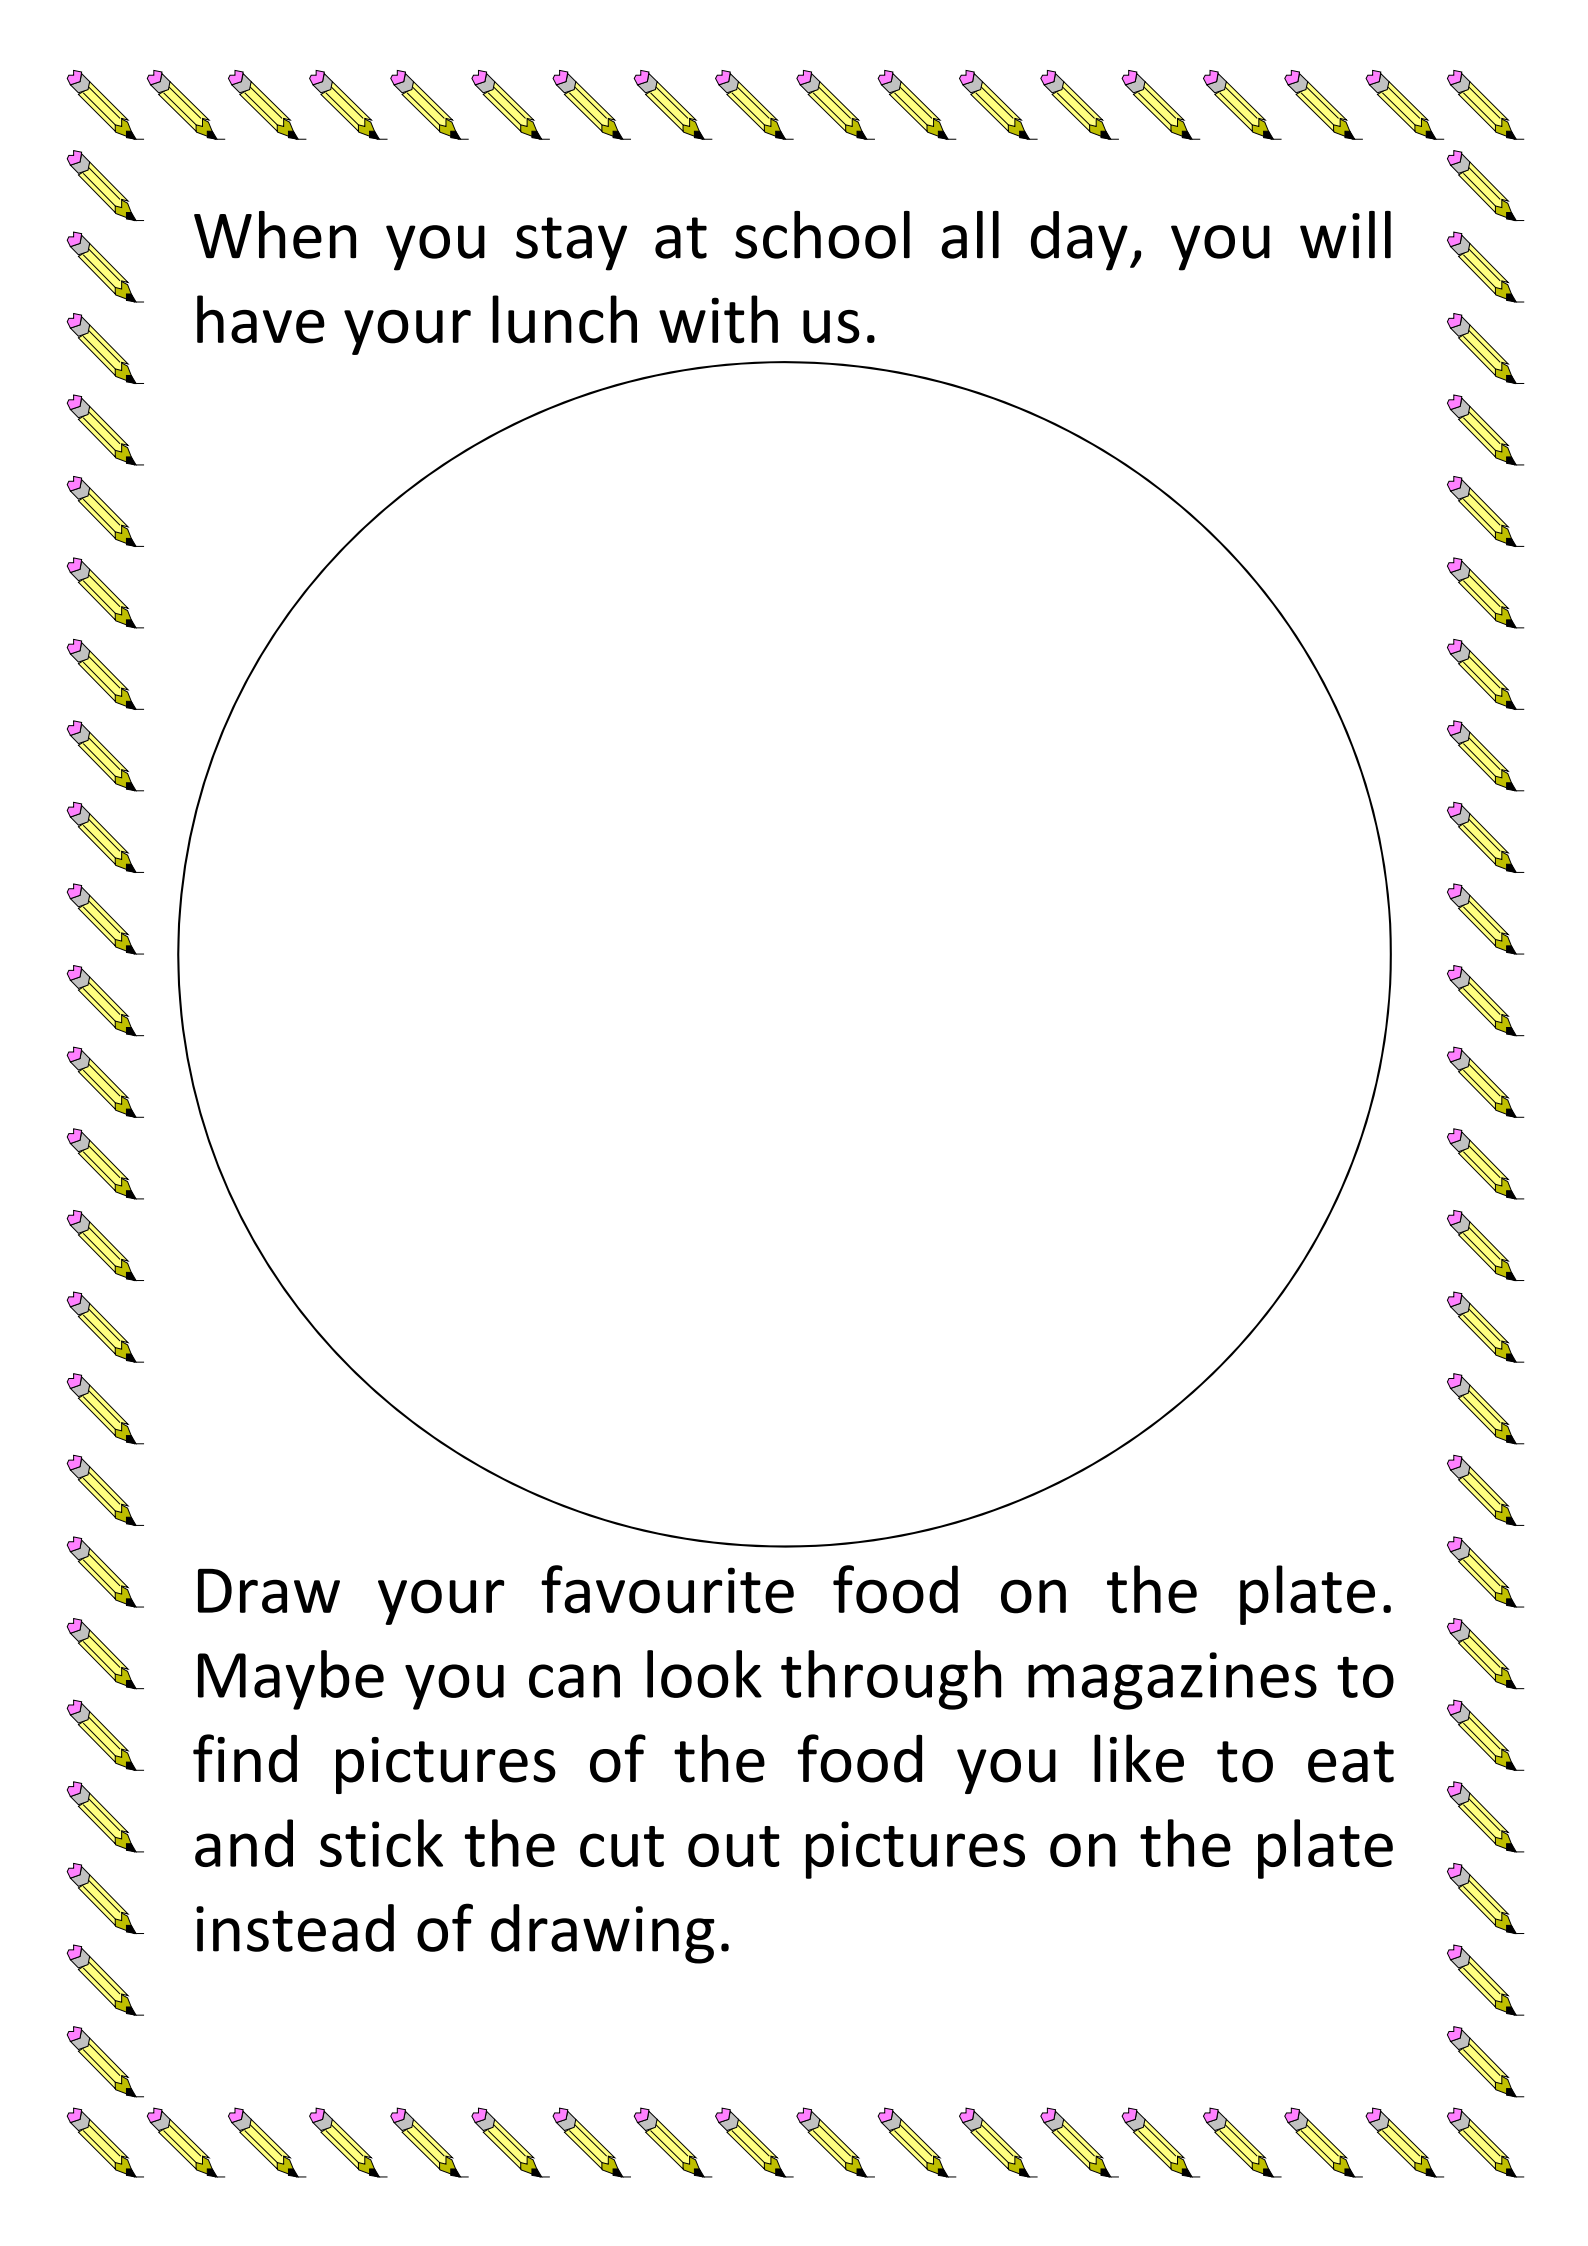

We have a home corner.

You will be able to use the computer.

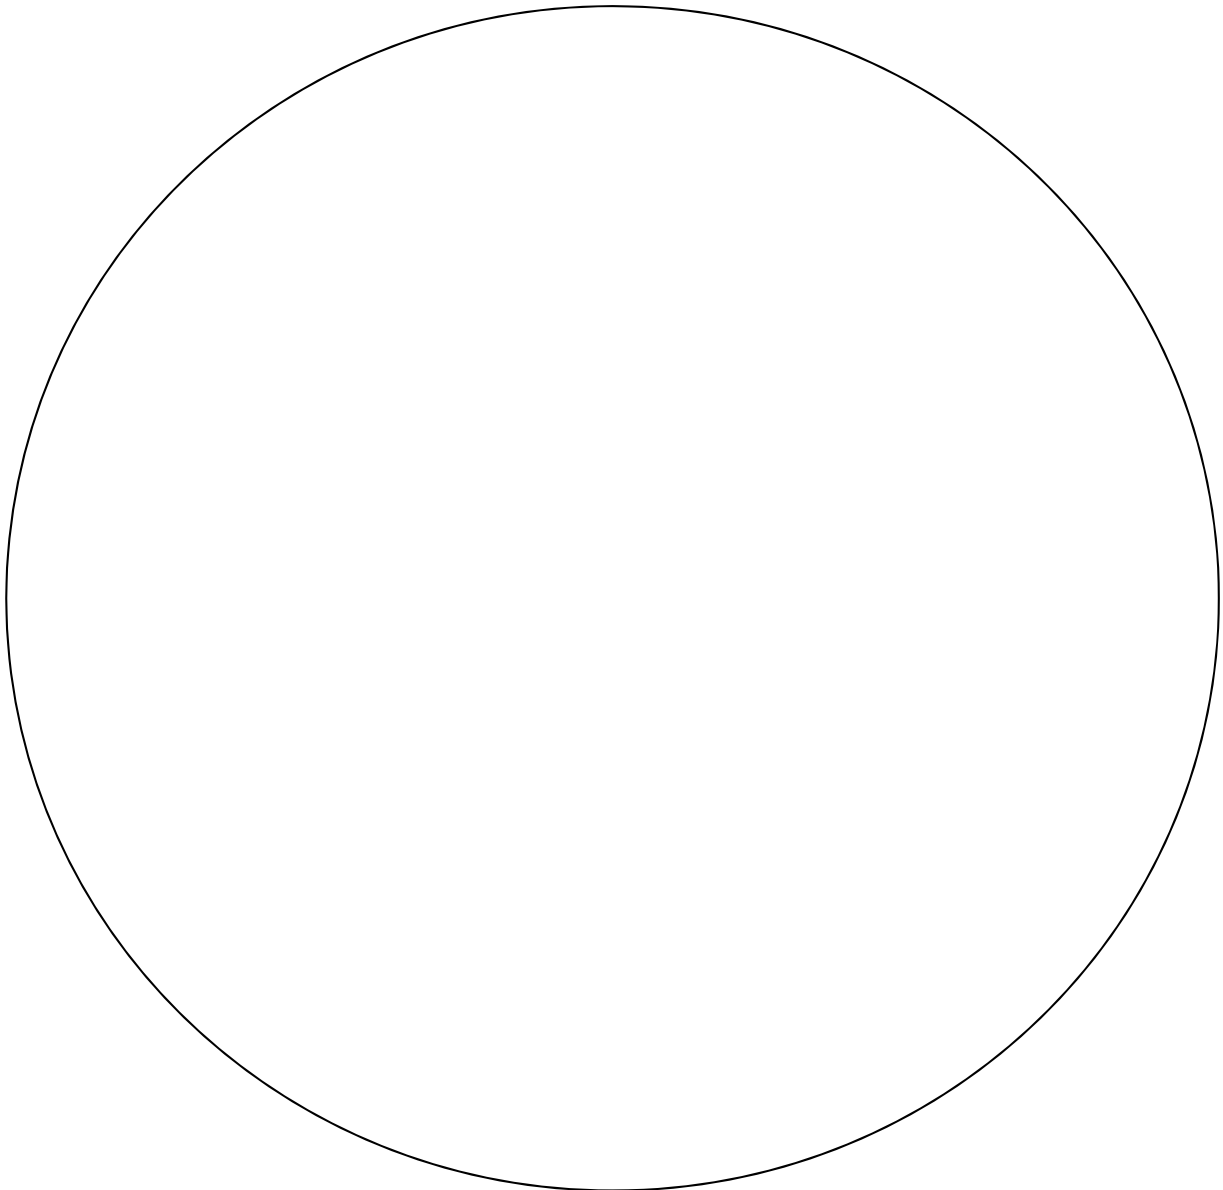

You can play with the cars and the farm.

What do you like to play with at home?
Draw your favourite toy in the toy box.

When you stay at school all day, you will have your lunch with us.

Draw your favourite food on the plate. Maybe you can look through magazines to find pictures of the food you like to eat and stick the cut out pictures on the plate instead of drawing.

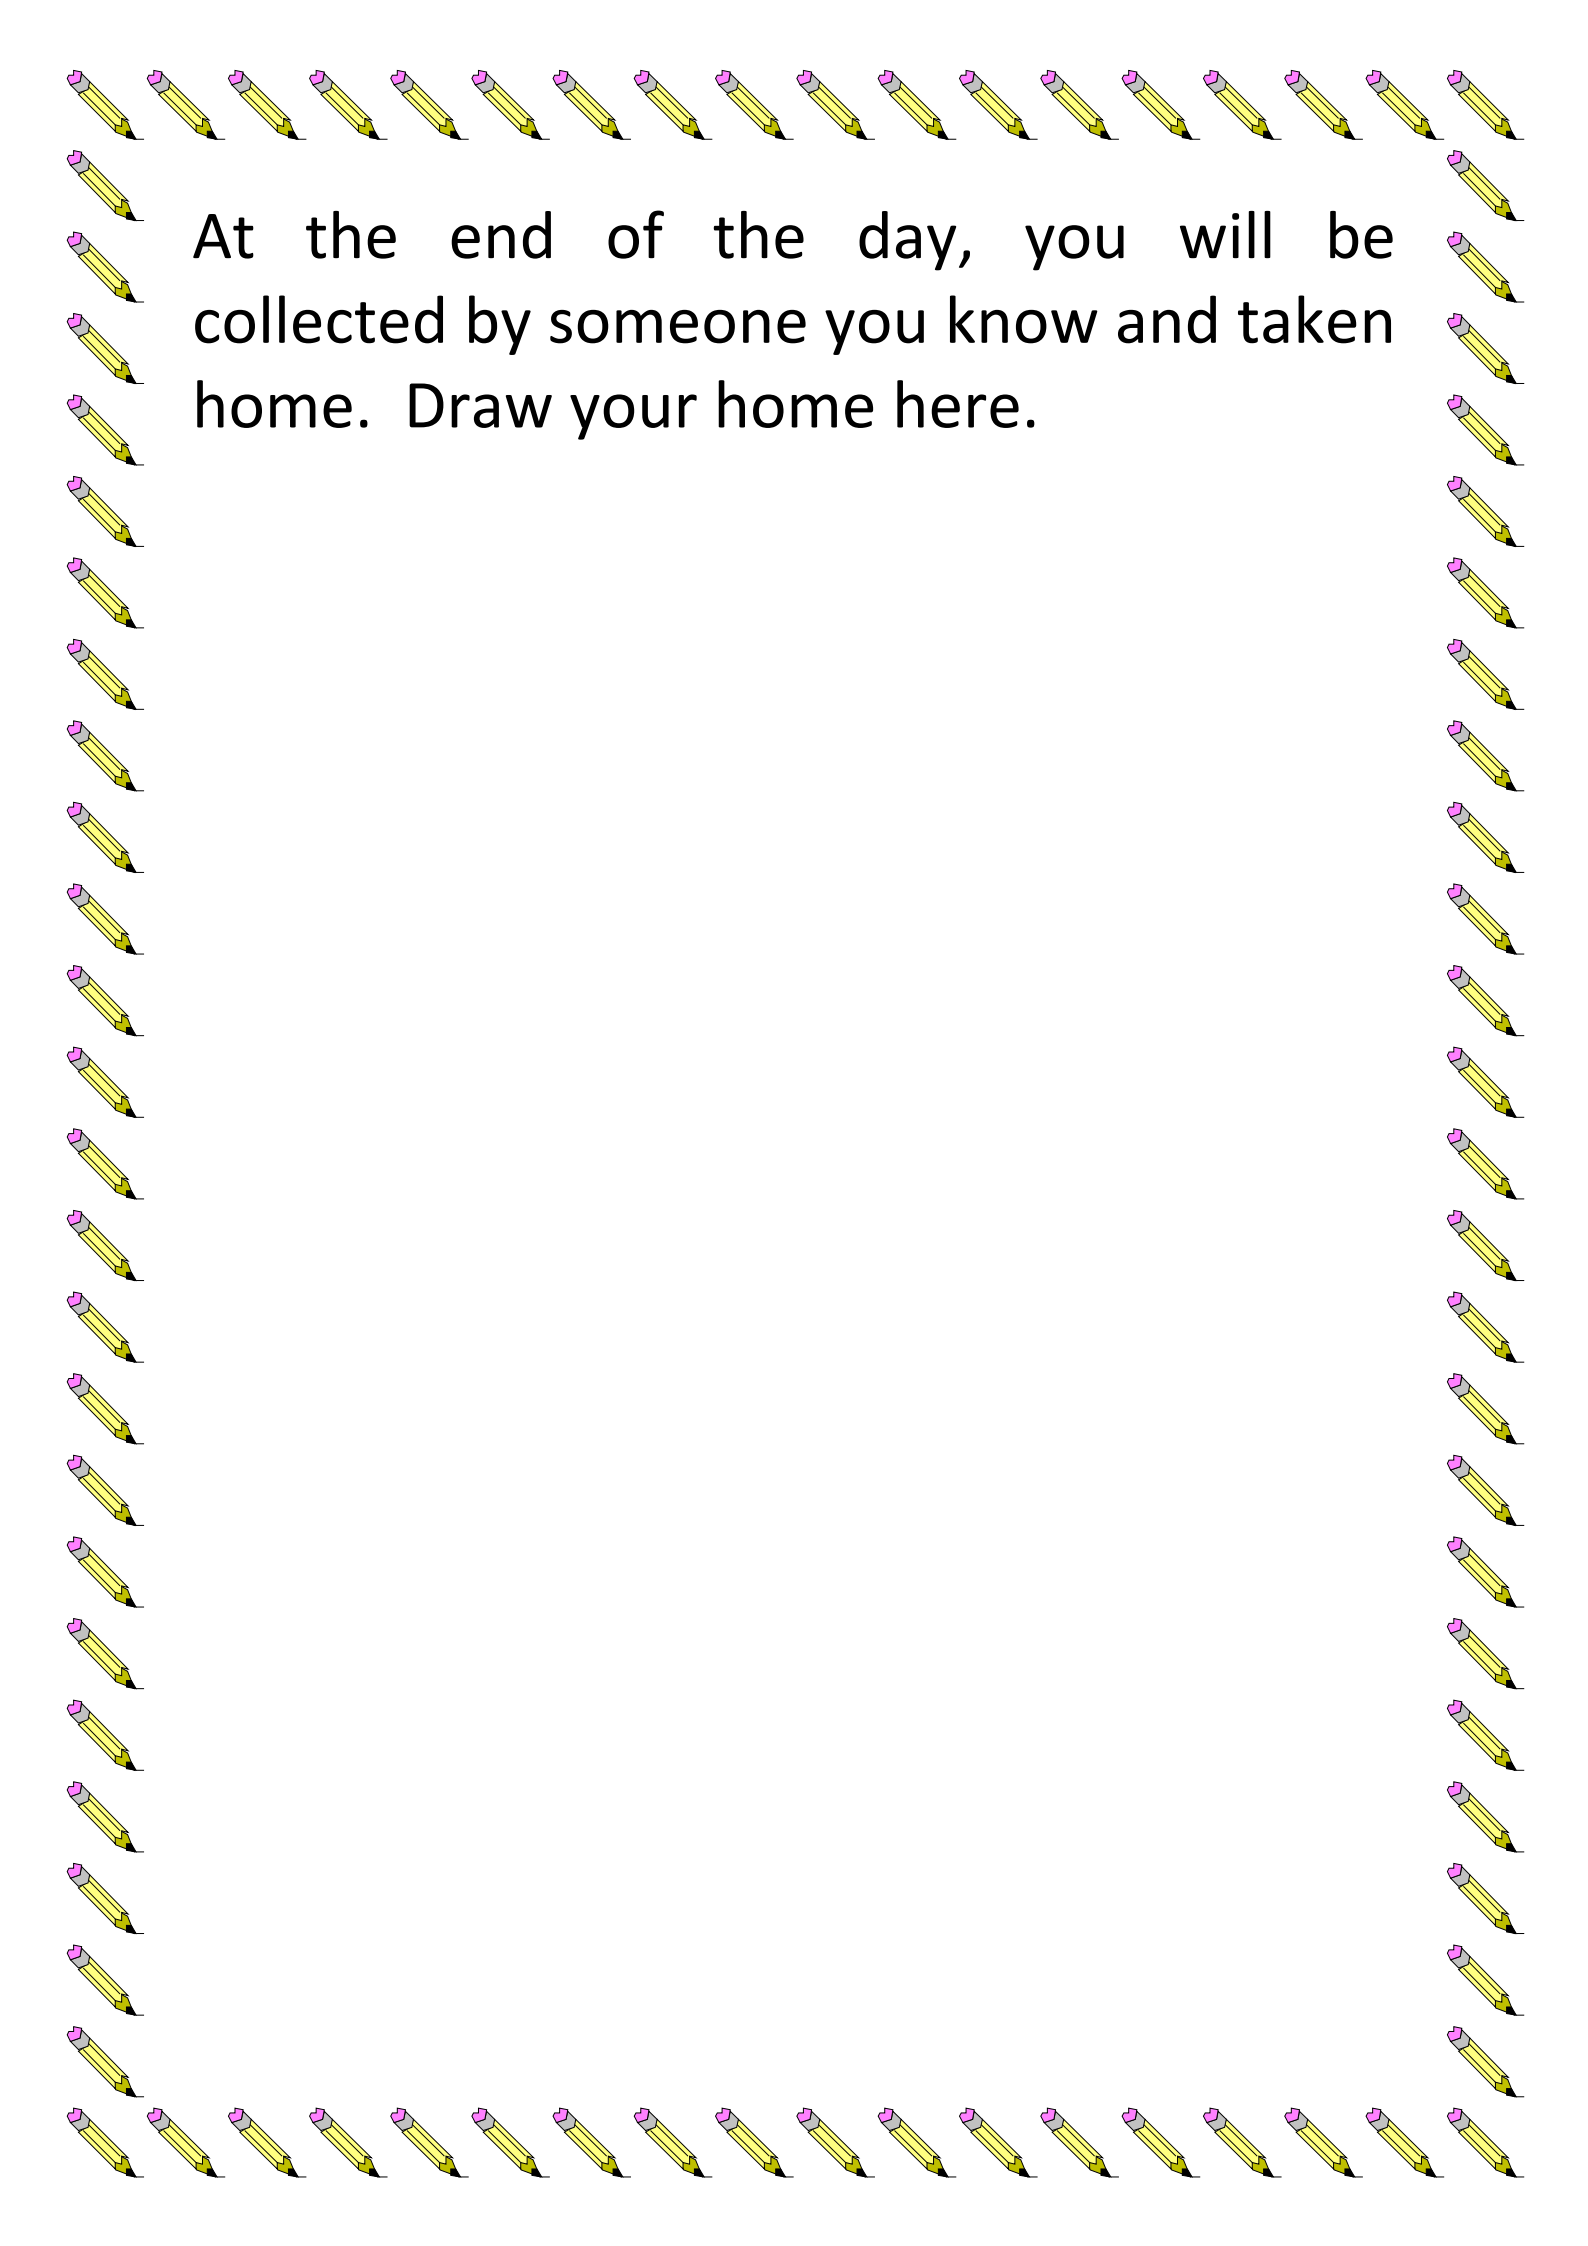

There are lots of lovely story books in the classroom.

Miss Austin will read a story to you before you go home.

You can borrow books from the library to enjoy at home.

My favourite story is:

At the end of the day, you will be collected by someone you know and taken home. Draw your home here.
